Triple glazing: worth it?

When the third pane pays back, and when it does not.

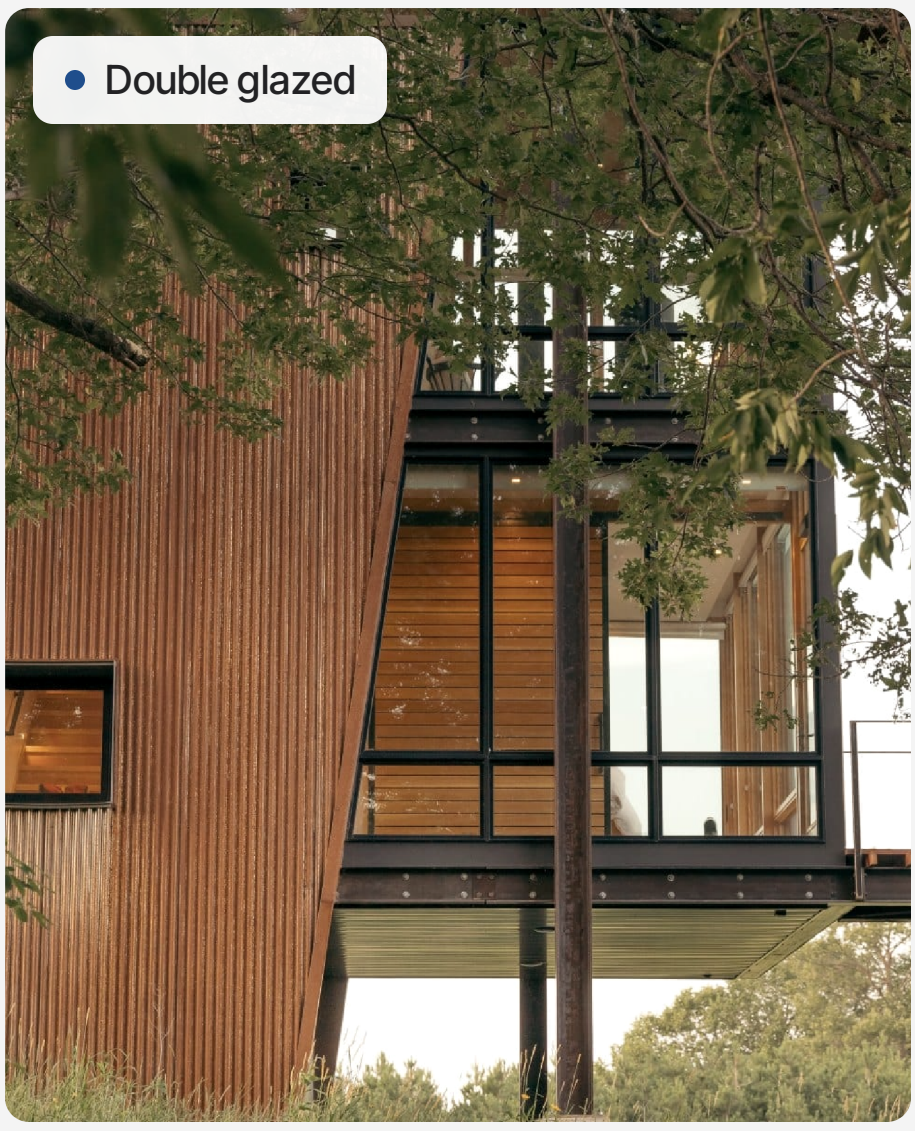

Swipe →

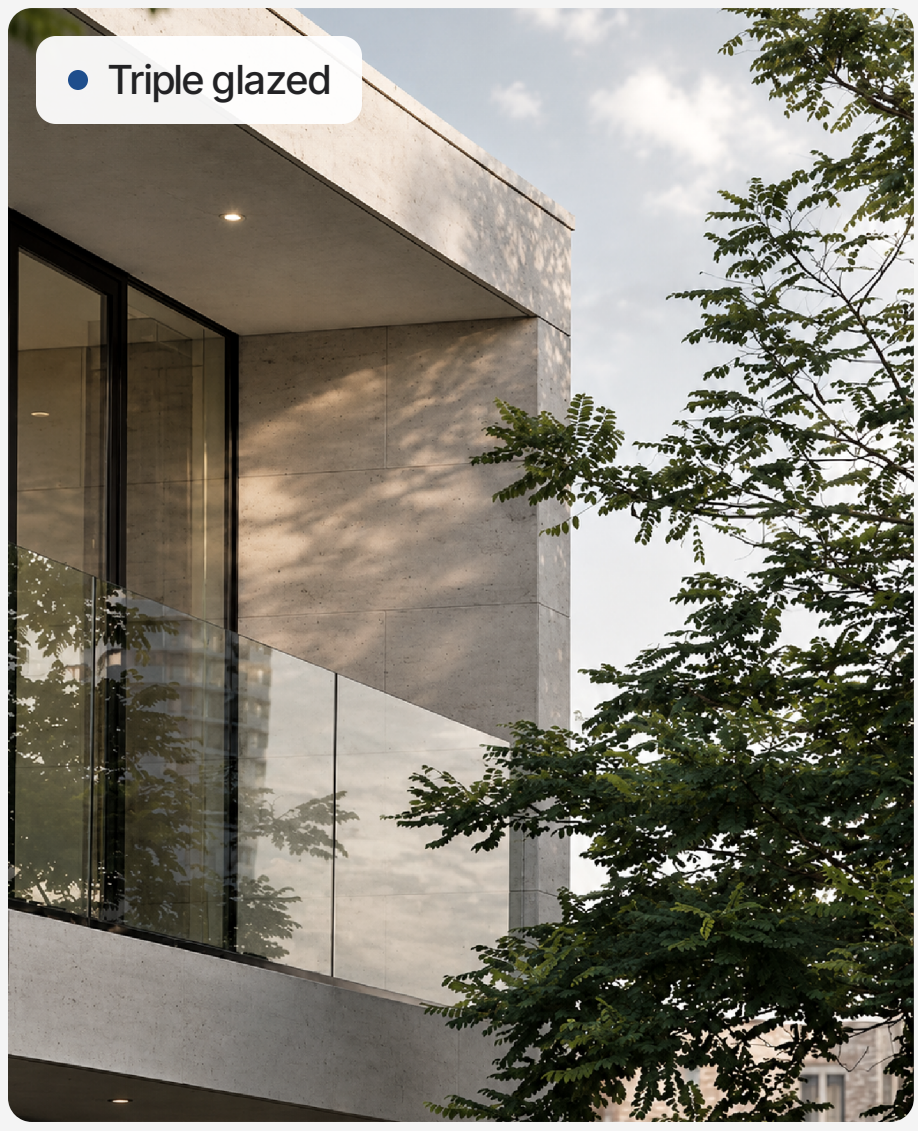

Double vs triple

Same system, one more pane.

ConceptSystem 77 by Reynaers, U-factor by glazing.

VALDA

Worth it when

Cold winters, noisy streets, big panes.

Triple glazing pays back in cold climates, on loud sites and on large glazed areas. It adds weight and cost, so check the frame is built for it.

Double or triple? What do you usually specify?
