

Meet VALDA

From a garage to two factories.

Family-owned window and door makers since 1998.

1998

Two founders, one garage, one machine.

Every window made by hand. The same family runs VALDA today, with no outside investors.

• Sofia · Veliko Tarnovo

Made in-house

Everything under our roof.

- /01 Aluminum and PVC windows and doors.
- /02 Our own glazing and coating line.
- /03 Packed and shipped factory direct.

Production specialists
