

Thanksgiving · 26 November

A modern, two-story house with large glass windows and a stone chimney, situated on a cliff overlooking the ocean. The house is surrounded by lush greenery and tall palm trees. The scene is captured during sunset, with warm golden light illuminating the sky and the water. The house has a minimalist design with white walls and large glass panels. A stone chimney is visible on the right side. The foreground shows some low-lying vegetation and a stone wall. The background features a steep cliff and the ocean waves crashing against the shore.

Grateful for every project we get to be part of.

Thank you to the architects, builders and homeowners we work with.
Happy Thanksgiving from all of us at VALDA.
