VALDA *Vista*

The aluminium system *built to disappear.*

VALDA

i. the idea

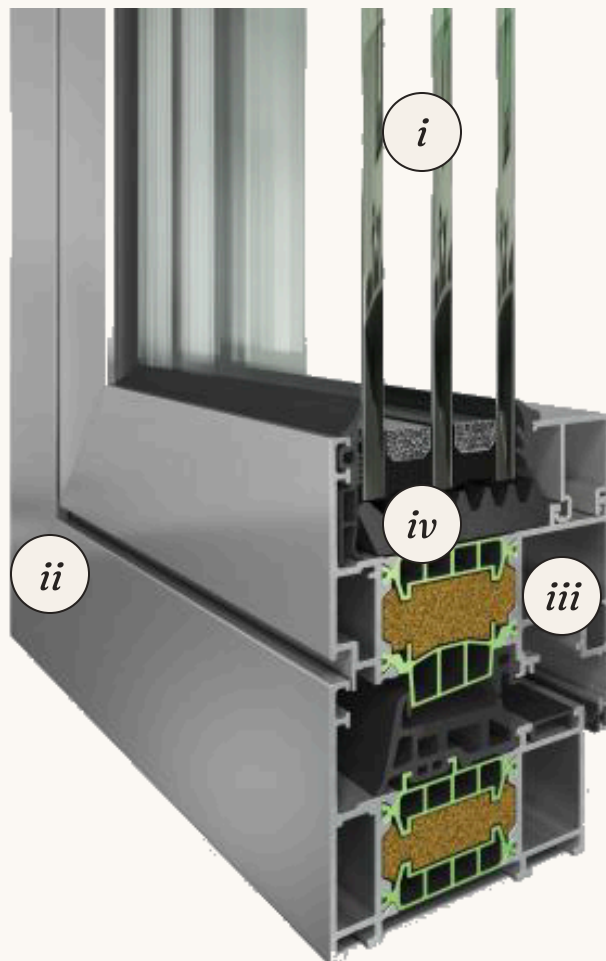

built to disappear

Less frame. *More view.*

A thermally broken aluminium frame, slimmer than its PVC counterpart, so the glass does the work and the window recedes.

in detail

Inside *the profile.*

i Laminated insulating glass
with a SentryGlas interlayer

ii Powder coated aluminium
frame

iii Polyamide thermal break

iv EPDM gaskets, frame and
glass
