

QUESTIONS WE GET

Who clears *US customs?*

01

We can.
Or your broker can.

Use our customs clearance, or ship to your own customs broker. Your choice, on every order.

02

The paperwork starts in Bulgaria.

Export documents are prepared at our factory before the windows leave Europe.

03

Then the US port.

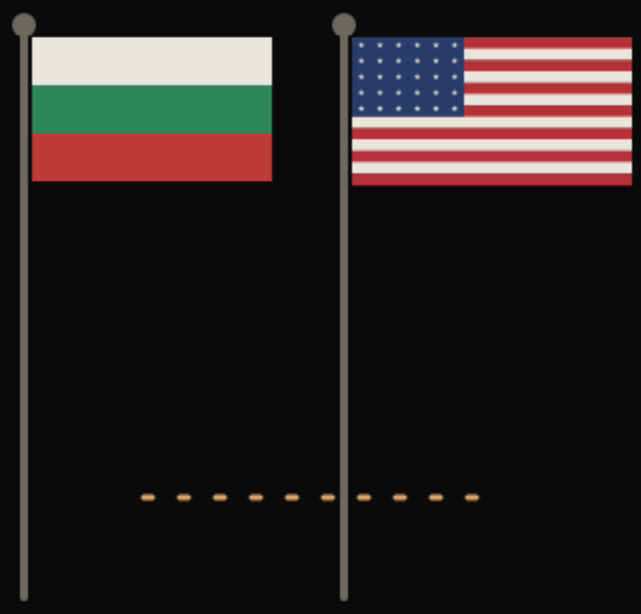

Clearance is handled at the port of arrival, so nothing sits waiting.

04

Then your site.

Delivered by truck to your job site, coast to coast.

One point of contact, from the *factory* to the final window.
