Inswing or *outswing?*

A

INSWING

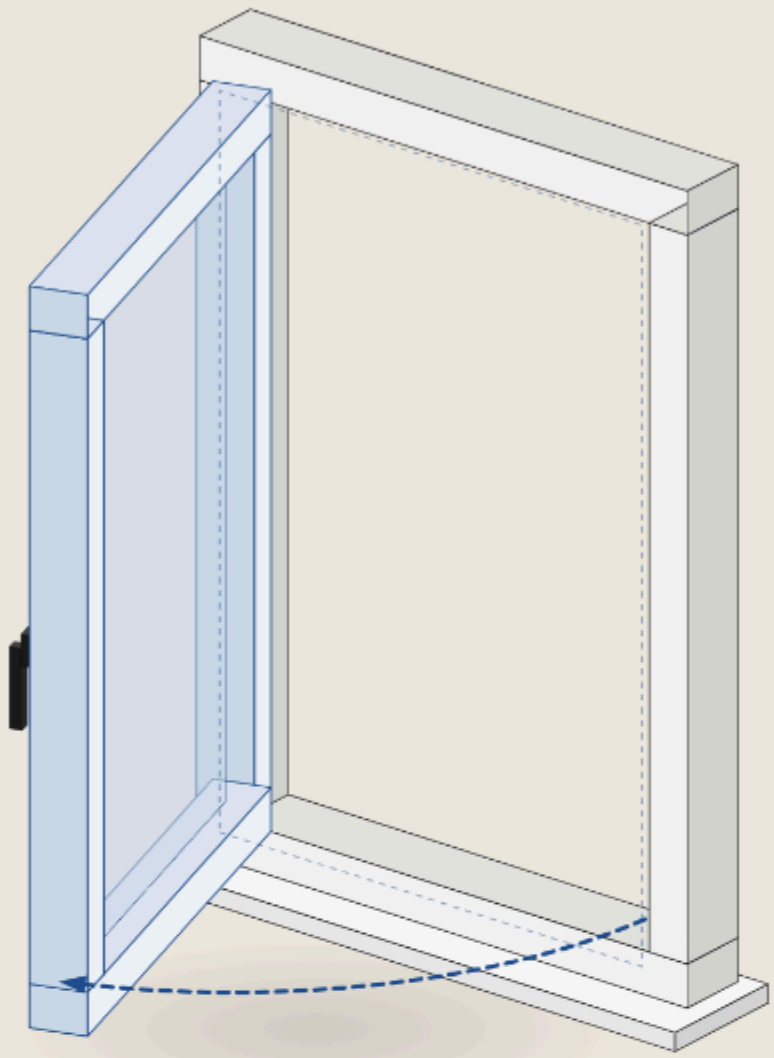

B

OUTSWING

COMMENT A OR B

A

Opens into the room.

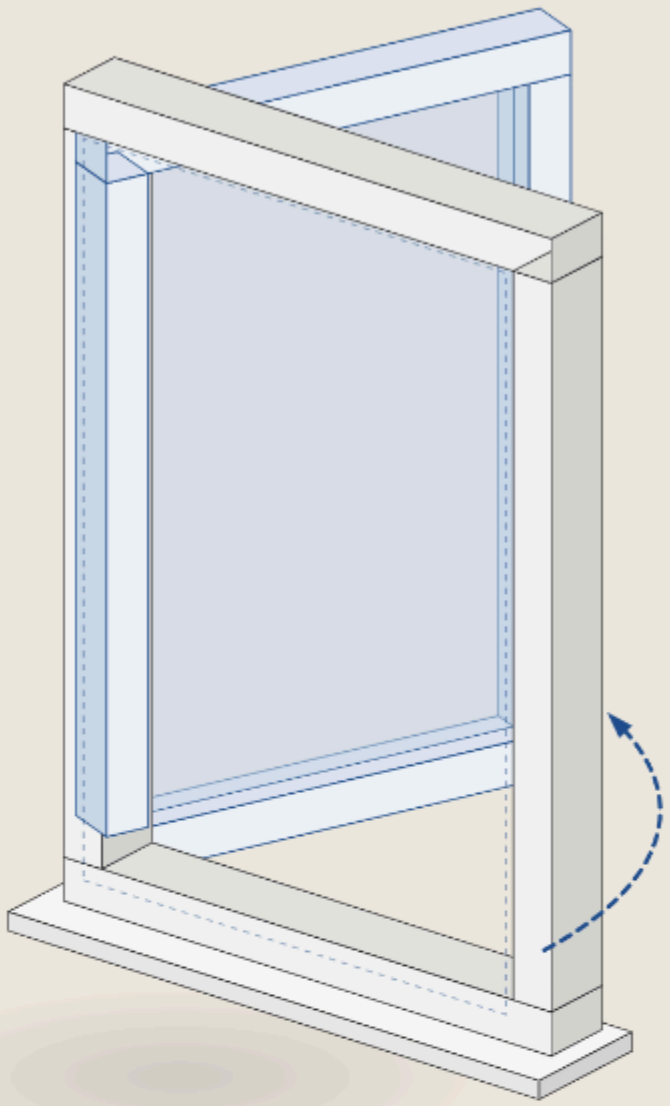

The European standard, often with a tilt position too

Clean the outside glass from inside

Screen fits on the outside

Needs clear space inside for the sash

B

Opens to the outside.

The familiar US casement

Takes no space inside the room

Screen fits on the inside

Outside glass is harder to reach on upper floors
